4. LICENSING YOUR IBM SPSS STATISTICS VERSION 29 SOFTWARE

SPSS Statistics 29 is licenced through the Licence Authorisation Wizard which can be opened in a number of ways:

A.) If you chose to 'Start IBM SPSS Statistics 29 now' by ticking the box in the last step, you will get the screen below. Select "Launch License Wizard".

IBM SPSS Statistics - License not valid   ✕
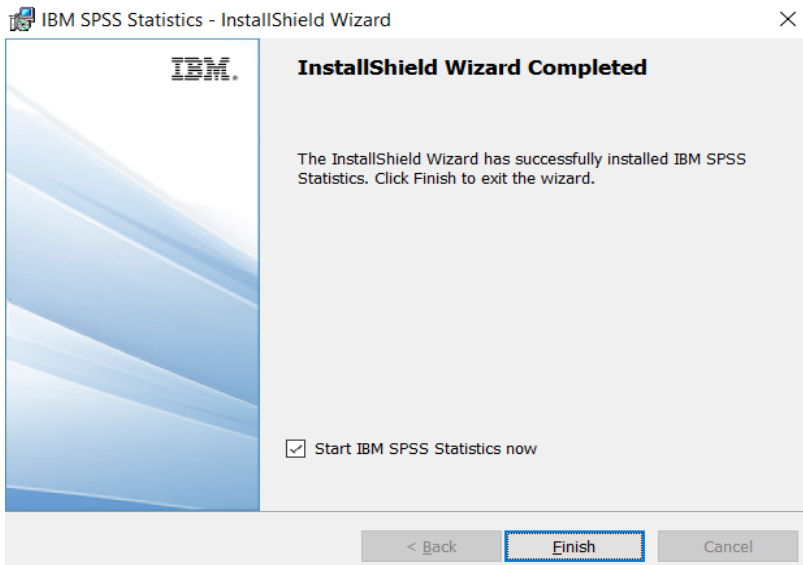

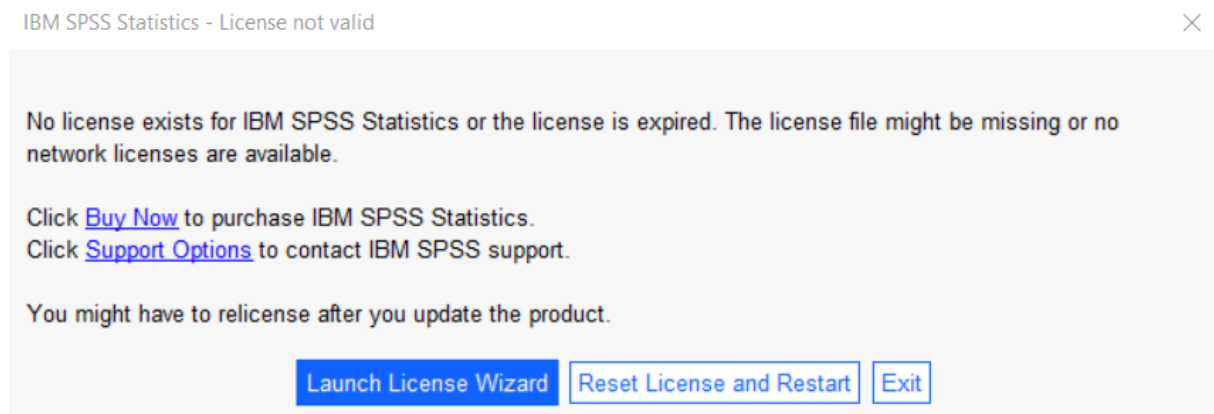

No license exists for IBM SPSS Statistics or the license is expired. The license file might be missing or no network licenses are available.

Click Buy Now to purchase IBM SPSS Statistics.
Click Support Options to contact IBM SPSS support.

You might have to relicense after you update the product.

| Launch License Wizard | Reset License and Restart | Exit |

B) If you chose not to start Statistics after installation, and you open Statistics at a later time, you will receive the same screen shown below. Select "Launch License Wizard".

IBM SPSS Statistics - License not valid   ✕

No license exists for IBM SPSS Statistics or the license is expired. The license file might be missing or no network licenses are available.

Click Buy Now to purchase IBM SPSS Statistics.
Click Support Options to contact IBM SPSS support.

You might have to relicense after you update the product.

| Launch License Wizard | Reset License and Restart | Exit |

1) Then you will see the screen shown below. Select "Concurrent user license" and "Next".

IBM SPSS Statistics Licensing   —   □   ✕

Product Authorization

Select one of the following:

○ Authorized user license (I purchased a single copy of the product).
   You will be asked to enter the authorization code(s) or license code(s) that you received from IBM.

   Example Codes

◉ Concurrent user license (My organization purchased the product and my administrator gave me a computer name or IP address).
