Chose Destination Folder.

Click Install.

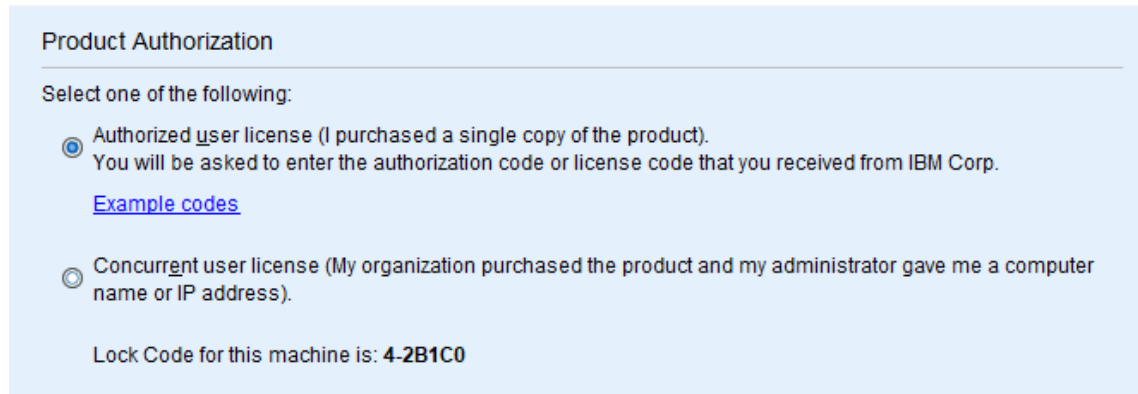

Once the installation has completed tick the Start IBM SPSS Modeler 19.0 now and click Finish.

****IF YOU ARE INSTALLING MODELER PREMIUM PLEASE SKIP TO STEP 5 (PAGE 11)****

4. LICENSING YOUR IBM SPSS MODELER

4.1. Starting Modeler

When you open the software for the first time you will need to apply your license via the License Authorisation Wizard. Please ensure you have **Admin rights and your Authorisation Code**, please choose 'Authorised User Licence' and 'Next'.

Product Authorization

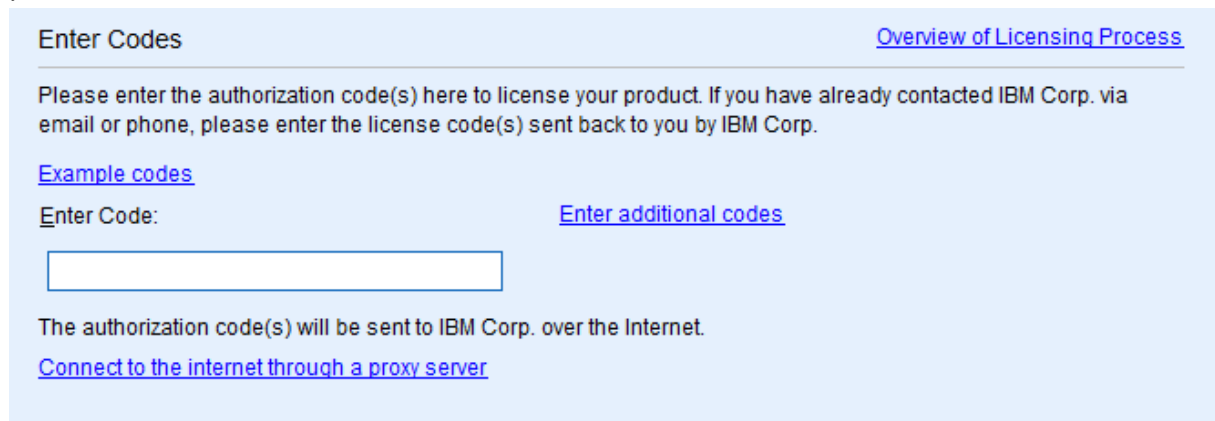

Select one of the following:

- ☒ Authorized user license (I purchased a single copy of the product).
You will be asked to enter the authorization code or license code that you received from IBM Corp.
[Example codes](#)
- ☐ Concurrent user license (My organization purchased the product and my administrator gave me a computer name or IP address).

Lock Code for this machine is: **4-2B1C0**

4.2. Add License Code to LAW

Please copy and paste your Authorisation Code into the space provided and click 'Next'

Enter Codes [Overview of Licensing Process](#)

Please enter the authorization code(s) here to license your product. If you have already contacted IBM Corp. via email or phone, please enter the license code(s) sent back to you by IBM Corp.

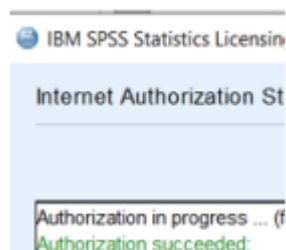

[Example codes](#)

Enter Code: [Enter additional codes](#)

The authorization code(s) will be sent to IBM Corp. over the Internet.
[Connect to the internet through a proxy server](#)

4.3. Authorisation

Then you will then see that the Authorisation was successful.

Your IBM SPSS Modeler will now be fully licensed when you open it next. You can click 'Finish' and restart your computer for the licensing to be fully activated. You will then receive a message that states, "The new license takes effect that next time you restart IBM SPSS Modeler". You have the option to select "Later" or "Restart".

5. IBM MODELER PREMIUM
